FINAL POSITIONS

WINNERS:

SHROPSHIRE

SECOND:

GTR MANCHESTER

CC ROLLER'S REPORT:- B.N. BEASLEY - 3rd MAY 1995

With the exception of the withdrawal of Warwicks 'A' from the Under 150 tournament the season was very successful.

The new Under 100 tournament has been received well, and must be considered to have been an excellent idea. The winners (Shropshire) have the added bonus of a match against the SCCU winners for a BCF trophy.

The BCF tile holders (Leicestershire) failed even to win the East Zone, and Staffordshire reversed the West Zone positions by beating Warwickshire in the only Final played to date.

My proposal to reduce the fixture log-jam by the Open, Under 150 and Under 100 all sharing the same Saturdays does not seem to have produced a positive response, and so I will prepare the fixtures for the AGM in the standard format.

B.N.BEASLEY - 7 Sharnbrook Gardens, Sharnford, Hinckley, Leics LE10 3QD

Report from the Grading Director

1. The BCF Grading List was again published on August 1st and was a big seller at the British Championships at Norwich. The Union list and county/league lists followed shortly after this. Once again I believe the MCCU Grading List has produced a small profit, but the Finance Director will have more details of this.

2. There were problems encountered again with the data this year. This was because certain events were not graded for whatever reason. The Bristol League contrived to send in two sets of data and some other results were not sent until after the grading list was published. These were adjusted for when the Master List was distributed to Grading Officers at the end of November. The other main problem was the Manchester League. They had informed me that they would provide details of results but would not grade them themselves. I therefore arranged for somebody to grade the event. The results were duly sent to me and I passed them on to the grader. Then at the end of the season, Manchester League results were included in that data supplied by Greater Manchester. Fortunately, it was noticed and corrected before the Grading List was published.
